

CISC SCHOOLS: GOVERNORS' TRAINING

TRAINING for a NEW CHAIR

This 90-minute live online 1-1 training can be arranged at a mutually convenient time. It will cover areas of particular significance to Chairs in CISC schools and cover areas such as dealing with dioceses, religious orders (if applicable) and Section 48 inspections.

It will also examine issues such as how to build trust with the Head, how to maintain and develop this relationship and what to do if things go wrong.

Further, advice on important areas for Chairs such as delegating, managing differences of opinion and conflicts as well as giving and receiving criticism, will be explored.

Cost: £185
