

2020-21 SERVICES OUTLINE

MIDDLE LEADERS

Our bespoke training for Middle Leaders is delivered live online or face-to-face (if/when possible). Our **Middle Leadership Partner Support** programme starts with a group modules(s) followed by 1-1 coaching/mentoring sessions. We also offer stand alone training. All our training focusses on PEOPLE and PURPOSE. The people element includes motivating others, building teams and having tough conversations. The purpose element includes lesson observation and feedback and prioritising activities to ensure progress.

TEACHING + LEARNING

Deliverable face-to-face or live online training includes (click for details from the website):

- Higher Order Thinking Skills
- Developing Teaching Assistant Effectiveness
- Metacognition

OTHER SERVICES

Other services include:

Coaching, practice inspections and implementing change consultancy. Full details [here](#).

We also deliver training for staff and leaders on building relationships and dealing with demanding parents.

ABOUT US

Our specialist and highly experienced **team** have all been Heads of independent and/or international schools and are passionate about training and working with schools to improve.
