

INTERNATIONAL SCHOOLS' MIDDLE LEADER TRAINING COURSE

Investing in leadership training for staff is always essential, and especially now with the need for more agile teams. However, 77% of organisations report having a leadership gap.

WHO IS THIS TRAINING FOR?

New middle leaders (primary and secondary), or those who may not have experienced any meaningful leadership training previously. This includes Heads of Department, subject leaders and coordinators etc.

CONTENT

The three interactive modules will include: (1) how to inspire, energise and build agile teams, (2) giving feedback and having difficult conversations, and (3) ensuring effectiveness and progress. Further details can be found on our website by clicking here.
