

2020-21 SERVICES OUTLINE

LEADERSHIP

Our **Middle Leader Training Course** consisting of 3 x 3-hour live online sessions, resumes in Term Two. The three modules cover: (i) enthusing and building agile teams, (ii) giving feedback and difficult conversations, (iii) ensuring effectiveness and progress. To express interest in this click [here](#) or send an email. Details of other leadership courses are on the [website](#).

We also offer our bespoke **Middle/ Senior Leadership Partner Support** programme which consists of training followed by 1-1 coaching/mentoring sessions.

TEACHING + LEARNING

Face-to-face or live online training includes (click on each for details from the website):

- **Higher Order Thinking Skills**
- **Developing Teaching Assistant Effectiveness**
- **Metacognition**
- **Challenging the more able in mathematics**

OTHER SERVICES

Throughout the year we hold a number of **Meet the Inspector (ISI)** live online training events.

Other **services** include: coaching, practice inspections and change consultancy.

We also deliver training for staff and leaders on **building relationships and dealing with demanding parents**.

ABOUT US

Our specialist and highly experienced **team** have all been Heads of independent and/or international schools and are passionate about training and working with schools to improve.
