

## 2020-21 SERVICES OUTLINE

### LEADERSHIP

Our **Leadership Development Course (independent schools)** consists of 3 x 3-hour modules. The three modules cover: (i) enthusing and building agile teams, (ii) giving feedback and difficult conversations, (iii) ensuring effectiveness and progress.

Details of other leadership courses are on our [website](#).

We also offer our bespoke **Middle/ Senior Leadership Partner Support** programme which consists of training followed by 1-1 coaching/mentoring sessions.

### TEACHING + LEARNING

Face-to-face or live online training includes (click on each for details from the website):

- **Higher Order Thinking Skills**
- **Developing Teaching Assistant Effectiveness**
- **Metacognition**
- **Challenging the More Able in Mathematics**

### OTHER SERVICES

Throughout the year we hold a number of **Meet the Inspector (ISI)** live online training events.

Other **services** include: delivering practice inspections, policy checks, coaching and consultancy.

We also deliver training for staff and leaders on **building relationships and dealing with demanding parents**.

### ABOUT US

Our specialist and highly experienced **team** have all been Heads of independent and/or international schools and are passionate about training and working with schools to improve.
